Term 2 continues well for all the girls, with Winter Sports under way and our Kids Lit team representing the school well at the competition in Week two.

The Student-led Learning Conferences are under way with many of you attending this week and the remainder of parents coming to appointments next week.

The conferences are an important part of your daughter sharing her next learning steps in line with our school philosophy of the girls developing self managing and independent learning skills. For the girls to be life long learners, their next steps need to be realistic and manageable. To help support this, the girls will continue their learning reflections, reflecting on their learning and what strategies they will implement to help further development towards their goals. These can be viewed via your daughters Edsby portfolio].

Many of our girls have been taking part in HPAC (House Performing Arts Competition) and the final performance takes place on Friday 1 June at 7 pm in the Main Hall. Ticket information is contained in this newsletter.

Finally, a reminder that Queen's Birthday is Monday 4 June.

Kind regards
LUCY FELTHAM
Head Teacher
